# URBAN LIFE WITH COVID

Online Event

Seven months into the COVID outbreak, it is now increasingly clear that life in the cities have to be adjusted appropriately for several more months. Cities and citizens have to adopt and abide by COVID specific rules and protocols in their day to day activities and schedules. The main purpose of this national webinar is to share information and knowledge on how to promote COVID safe distancing protocols in our daily lives and also to learn from the experiences of key city stakeholders.

## Back To The City Webinar – Urban Life With COVID
